

Happy New Year!

We are working on a full programme for 2022, beginning with a **Jazz Cruise** on 14th January to blow away the January Blues, followed by the first of our regular **Talks by The Thames** on 18th January. And in March we have another of our very popular **Watercolour Workshops** and a **Mothering Sunday Cruise** followed in April by our **Boat Race Party**. Details of the first few events are below and the rest will follow soon.

What could be nicer on a cold winter's night when Spring seems so far away than being on a warm boat enjoying the lights along the banks of the Thames whilst being serenaded by the very popular jazz band Anacousis and enjoying a hot buffet? The Golden Salamander will leave Chiswick Pier at 7pm on **Friday 14th January**, with embarkation starting at 6.45pm, and head towards Westminster and back.

Tickets £50 per head and there is a cash bar on board.

Book via our [website](#) or call 07831 420400.

We have decided to continue with our **Talks by the Thames** online and the first of our **free** live webinars will be on **Tuesday 18th January by Zoom at 7pm**. The talk is a presentation by **Hannah McCormick**, editor of the **Zoological Society of London's** recently published **The State of the Thames 2021 report** – revealing some of the surprisingly exotic species now resident in the River Thames.

https://www.zsl.org/sites/default/files/ZSL_TheStateoftheThamesReport_16Nov2021.pdf

A juvenile short-snouted seahorse (Hippocampus hippocampus) found in 2017 at Greenwich

Sharks, seals and seahorses are just some of the creatures identified in the report which celebrates the current 'health' of the River Thames, its inhabitants and users as well as highlighting future challenges.

To book your place for this fascinating webinar (and make a donation if you would like to) please go to <https://buytickets.at/chiswickpiertrust/632902>

We look forward to seeing you!

Looking further forward we are delighted to welcome Julia Cassells back to Chiswick Pier for a **Watercolour Workshop on Wednesday 2nd March** from 9.30am to 3.30pm.

Over the past years these workshops have been very successful and popular. Julia will be working in watercolours on the topic "Lilac Breasted Roller". Although not normally seen in the UK, the increasing numbers of exotic species being found here may change that! This workshop is suitable for beginners right through to the more experienced artist.

The fee for the day is £40 and as there are limited spaces available we recommend you book promptly. Please bring your own materials, packed lunch

and drinks.

Bookings can be made by calling 07831 420400

“Watch this space”, as they say, for details of the other exciting events we have planned for 2022!
