

Hello!

Sunday 23rd July 2023 - Party on the Pier

It's not long now until the annual highlight down at Chiswick Pier - Party on the Pier, which is a great day out for all the family. The party starts at 11.00 am when The Pier House opens and the first free boat trip sails.

These very popular boat trips are aboard the Golden Salamander and sponsored by Fullers. The boat will sail every 45 minutes and you can pick up a ticket on the day.

The amazing Amanda from Amanda's Action Kids will be joining us to entertain the little ones, which has been generously sponsored by Sworn & Co. Also to delight the children there will be face painting. There will be lots of stalls, activities, food and drink, ice creams and live music.

Thames Explorer are running river dipping sessions, which are a guided exploration of the foreshore, from 12.00-2.00 meeting at the Pier House. The RNLI will have information about its work, and a souvenir stall whilst the Sea Cadets will be helping with the smooth running of the boat trips and a tombola.

There are a variety of artisan craft stalls with a range of goods to browse and treat you and the family to. Come and join the party - you'll be warmly welcomed!

Join us for a choice of delicious foods, homemade Italian ice cream, live music, and a drink at the London Pride Fullers Bar.
